From Your Director's Heart

Greetings,

Do you want to know more about missions? Would you like to hear a live missionary share about missions? Do you know how missionaries live? Do you believe in missions? Do you believe the Lord teaches missions in His Word? I know you said yes to all the above.

Would you allow a missionary to come to your church and share a message about missions and the experiences they have had on the mission field?

You can have this happen March 29—30th, 2008. We have the opportunity to have real missionaries come to West Cullman and share.

You will be able to have from two to four missionaries come to your church to speak. You will be able to hear a different missionary speak in two different services—during the Sunday morning and evening service or you can have a different one at each of the Sunday School hour, morning worship, Discipleship hour and the P.M. worship service.

The following churches have already chosen to be involved in the **On Mission Celebration, March 29-30, 2008:** Bellview Heights, Bethany, Cullman First, Garden City, Liberty, Logan, Missionary Grove, Northside, Sardis, Southside, Spring Hill.

We must have your yes or no by April 20th, 2007.

The cost per church is determined from 2005—2006 Church Profiles...

Church Size	Amount Per Church
0—100	\$120.00
101—150	\$175.00
151—200	\$230.00
201—250	\$285.00
251—300	\$340.00
301—350	\$395.99
351—400	\$450.00
401—450	\$505.00
501—550	\$560.00
551—600	\$615.00
601—650	\$670.00
1851—1900 (1890 x \$1.24)	\$2,343.00

Also remember...we are still asking for donations for the van fund, the Guillott family's Habitat House, and funds to go toward furniture for the BCM Office at Wallace College.

In Christ,

Bro. Jack

Cullman Christian School

Enrollment registration is now open. CCS is a community Christian school offering Kindergarten (4) through eighth grade. If you are interested, call the school office at (256) 734-0734. Application forms can be downloaded from their website: www.cullmanchristian.org. Currently, the school's administration office is located in the Warehouse District in downtown Cullman. They are occupying an office in the Salient Health Ventures Office Suite behind Interiors on 1st Ave. NE. This is where you will register.
